# HOSPITAL OVERVIEW

NORWEGIAN AMERICAN HOSPITAL

Norwegian American Hospital is the fourth leading provider out of 59 area hospitals that provides high quality, charitable health care. It has served the residents of the near northwest side of Chicago for nearly 115 years.

It is Norwegian's mission to provide high quality and compassionate health care services by partnering with patients, their families, our employees, physicians and the communities we serve.

Norwegian American Hospital is a 200-bed, acute care facility, offering a variety of health care programs and services including: inpatient and same-day surgery, outpatient pharmacy, radiology department, All Kids health care program, cardiology department, corporate health program, intensive care unit, telemetry unit, pediatrics unit, emergency department, physician specialty center, and a comprehensive array of women's health care with an incorporated midwife program.

Established in 1894, Norwegian American Hospital is a premier health care provider where the patient comes first. It is a family- and community-centered hospital. Each of our employees strive to provide every patient with consistent high standards of affordable care. Norwegian American Hospital promotes personal wellness and is passionate in its belief that the health of the community and the health of the individual are interrelated.

Norwegian American Hospital constantly monitors the health care needs of the community by participating in a variety of community events and partnering with community organizations. At these events, our medical staff engages the general public in conversation and is able to understand what their general needs and concerns are. In addition, our clinical staff constantly monitors health care trends and uses that information to develop new programs and services.

Norwegian American Hospital **MAKING A DIFFERENCE WITH COMPASSION®** since 1894!
