

Welcome!

Jennifer Casey, D.O.

Norwegian American Hospital welcomes Jennifer Casey, D.O., endocrinologist, to our community of board certified Physicians and Providers. Dr. Casey will practice at the Physician Specialty Center, located in the POB Building, Suite 100.

Dr. Casey is a graduate of the University of California, Davis. She received her medical degree from Touro University, Henderson, NV and completed her endocrinology fellowship at the University of California, Irvine.

Dr. Casey will be instrumental in helping Norwegian American Hospital develop a comprehensive Diabetes Learning Center. She specializes in the diagnosis, treatment and management of:

- Diabetes Type 1 & Type 2
- Thyroid Disorders
- Obesity
